

Health

- fresh air
- part of daily exercise
- better sleep

Cleaner Air

- By walking to school once per week, you can help improve the quality of air.

Road Safety

- chance to learn about road and pedestrian safety

Walk.. Scoot.. Cycle to School The Benefits

Happier children

- brighter coming in
- more alert
- less stressed and anxious
- more attentive and creative

Save Time + Money

- Less time in traffic
- Less time finding a parking space
- Spend less on petrol

For Parents

We encourage anyone who is within walking distance of the school to take advantage of such a great opportunity !!!!!

For those who live a bit farther, a couple of times a week, drive some of the way to school but park a good distance away and walk the remainder.
