Parental Permission Form

Each year, we ask your permission for your child to participate in certain activities. In order to cut down on unnecessary paperwork and simplify record-keeping, we have decided to include as many permissions as possible on one sheet. Please read carefully each of the items below and tick the relevant box. Not all occasions may be relevant to your child this year, but they probably will be at some stage in the future. If you have any concerns regarding any of the items below please feel free to contact the class teacher or principal.

I hereby give permission for my child in relation to the following:	Yes	No
Going on school tours, local educational visits/field trips and participating in school activities (e.g. matches, quizzes, choir etc)		
On occasions such as Communion, Confirmation and other school events (sports day, fun-run), local press photographers take group photos of children and in some instances identify the children by name. Do you agree to the school using your child's image in this way? (Please remember that removing a child from a photo of the rest of the class can be quite upsetting for the child).		
Can we use your child's name (not photo) in relation to publicising school events and activities in our newsletter, website and similar publications?		
It is the school's policy to celebrate your child's work and achievements. As a result, images of your child and his/her work may appear on our website. Best practice as stated in our 'Acceptable Internet Use Policy' will always be followed. At no stage will your child be identified by name (unless previously agreed with you). Usually children will only be pictured at a distance and in groups. Do you agree to the school using your child's image in this way?		
Most classes have an extra support teacher assigned to help all children in the class. On occasion, it may be necessary for organisational reasons to remove a group of children to another room to work with this teacher or the class teacher. (If your child is experiencing learning difficulties you will be informed personally by the teacher.) Do you agree?		
The school teaches 'Stay Safe' lessons on personal safety and RSE lessons on developing and changing. Both are recommended and vetted by the Dept. Of Education and Skills. You will be informed in advance if the lessons contain sensitive language. Further information is available from the school. Can your child participate in these lessons?		
Do you give permission for your child to be taken immediately to a doctor or hospital in case of serious illness/accident?		
On occasion we administer 'Diagnostic' tests (e.g. Neale Analysis, MIST, Belfield Infant Screening, NRIT) to discover the educational progress of pupils. Should any concerns arise following these tests we will contact you. Do you agree to this?
